Family Day 13 February 2011

On February 13, 2011, Arsenal Soccer School Thailand hosted the Family Day to strengthen the family relationship and friendship through football which is the popular sport and it can be displayed as a team. There were more than 20 students and parents participating in the event. They also brought the food and snacks to join each other. The atmosphere was fulfilled with happiness and delight from every family. The first activity was a football training and match that was trained by Coach Ad and Coach Aek. After training and match, our kids took a break and enjoyed eating with their snacks and food. After the recess time, Coach Renato led the team to arrange the football match for the parents on an artificial grass pitch. No loser and no winner, we got only the fantastic relationship back to our home. And we're looking forward for your coming next time. Thank you for joining us.

Toyota New Year's Party and Sport Day

On 12 February 2011, Toyota Motor Thailand Co., Ltd hosted the New Year's Party and Sport Day to strengthen their staff relationship.

This time, Toyota used Arsenal Soccer School's facilities to hold their activities all day through. The registration booth opened to let all staff register at 9.00 hrs. The atmosphere is surrounding with the colourful of shirts that all staff wore them for the party such as purple, orange, green and pink.

At 09.20 hrs, the executive team led by Khun Vichien, Khun Kij, Khun Sitachai and Khun Nikorn gave a speech to declare the New Year's Party and Sport Day. After that the executive team put golf and shot the balls into the little goal as the auspicious occasion and blessing.

It was started the joyous activities with the shows from each cheerleader team. The green colour started as a first team with sexy and hot dancing. The guys who surrounded the field also did not miss to take many shots of photos. After the show of the green colour ended, the orange colour did

not feel humiliated. They sent their cheerleader team to compete with their unique dancing style. These two shows were like the appetizers of the party. The audience gave them big applause throughout the shows.

At around 10.30 hrs, each football team entered to the fields for the football competitions. They used 2 fields for 4 teams. The surrounding atmosphere was joyful and lively because we did not see only the football players show their excellent game and performance, but we were also enjoyed and cheery with the cheerful songs from the cheering team that they provided all music instruments to cheer their football players.

After the football match ended, Toyota arranged the "Tug-of-War" (Chak-ka-Yue). It was a highlight of the party. Each team picked and chose the members who had much energy and strong bodies to beat the competitor. This game, all teams surrendered to the purple colour that had good-organized plan and chose the appropriate players to participate in this game.

Toyota New Year's Party and Sport Day

It was lunch time after we were tired of playing football and games. The food was ready to serve to all participants. And all participants were very happy to have yummy lunch from "Nang-Phaya Restaurant" that was a well-known restaurant. There were both of main courses and desserts placed on the food line variously. During the lunch break, there were game booths provided to all Toyota's staff to collect the points such as shooting basketball, shooting football and putting golf etc.

After we were full with food then we were full of luck because it was the time for the lucky draws and presenting the special giveaways to the lucky persons. Toyota paid lots of moneys to distribute the cash coupons, iPhone 4 and Blackberry mobile phones to the lucky persons. All lucky persons were back happily with their happy smiles.

After that, Cheerleader competition began again at 13.30 hrs between pink colour and purple colour. This time they showed their unique stratagem to compete each other among the cheering sound of their teams.

When the show ended, the joy began again. Toyota started to play "barrier games". All players must pass 4 barriers; dressing up, pinching table tennis balls, breaking the balloon and getting under the pole. This game made the player so tired but all they confirmed that it was very fun!!!

Finally, at around 14.30 hrs, the executive team presented the rewards to the winners. It was desirable that the winning reward belonged to the purple colour, the 1st runner-up was the green colour and the 2nd runner-up was the pink colour and the 3rd runner-up was the orange colour.

This explanation of the Toyota party's atmosphere is to describe the joyful and happy atmosphere in this yearly party. The staff participated in the party happily and joyfully and they could strengthen the relationship between their co-workers as better. So we are not so surprised why they were back their homes with enjoyableness and delightfulness.
